

Nick Hentschel

6 Cobblers Lane, North Reading, MA, (978) 505-5359, hentschel.nicholas@gmail.com

EDUCATION

Bachelor of Science, Computer Information Systems, May 2014
Minor: Law
Bentley University, Waltham, MA
GPA: 3.47 Major GPA: 3.93

HONORS

All Semesters, 2010 - 2014 *Dean's List*
November 2013 *SC13 Student Cluster Competition Commodity Track Champion*
November 2013 *ISECON Meritorious Paper Award*

EXPERIENCE

Associate Application Developer, *athenahealth, Watertown, MA* 8/14 - Present

- Helped design and develop custom software in the MIS department of athenahealth
- Added critical features to Client Listening Tool (CLT) Ruby on Rails application, including performance and stability improvements
- Designed and implemented deployment and version control workflow for CLT application, lowering deployment times to under 10 seconds, eliminating downtime, and mitigating key points of failure
- Migrated critical pieces of business infrastructure to new Oracle Express server instances, ensuring stability and reducing department overhead

Tutor, *CIS Sandbox, Bentley University, Waltham, MA* 9/12 - 5/14

- Tutored graduate and undergraduate students in various technical disciplines, including object oriented Java and basic web development concepts
- Performed various administrative tasks
- Designed, developed, and deployed a new web-based student check-in system, decreasing sign-in friction and gathering more accurate data
- Co authored award-winning paper highlighting the success of the Sandbox as an educational environment for both students and tutors

Web Intern, *User Interface Engineering, North Andover, MA* 5/13 - 8/13

- Managed large email campaigns, including custom template development and A/B testing
- Designed and coded responsive conference landing pages using SCSS
- Developed custom social sharing API using PHP and REST concepts
- Created MySQL database allowing the generation of custom marketing cohorts for better customer targeting

Junior Web Developer, *Polar Design, Woburn, MA* 6/08 - 8/12

- Coded custom interactive pages using PHP, Javascript, HTML, and CSS
- Developed dynamic web sites using SilverStripe and WordPress
- Performed operations tasks including proper server maintenance and orchestrating deployments from SVN
- Trained new employees and designers to properly code standards-compliant HTML and CSS

SKILLS

Languages: Javascript ★★★, PHP ★★, Ruby ★★★, Java ★★, HTML/CSS ★★★★★
